Baseball Card History

Thanks MOM!

My History

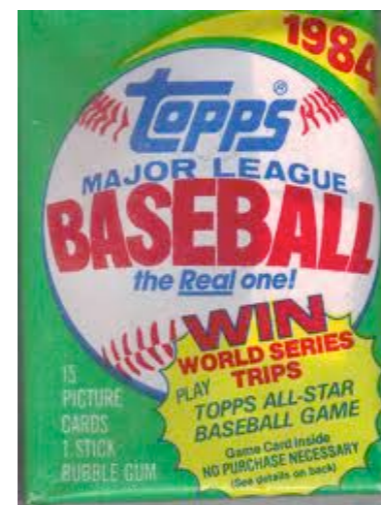

1984

Shoveled a lot of this.

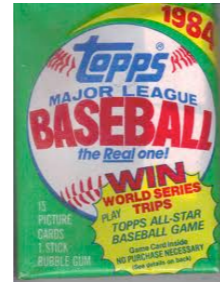

Counted a lot of those.

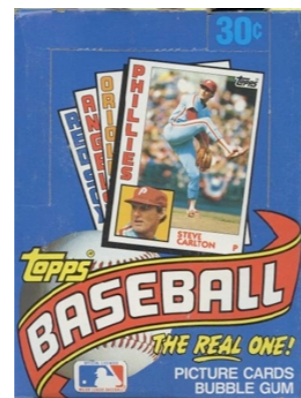

To get a lot of these.

The Breakdown

15 cards = 1 pack

36 packs = 1 box

20 boxes = 1 case

1987

It's just business

By 1988

You went in
this door

to find this.

Because

We went in this door the
night before.

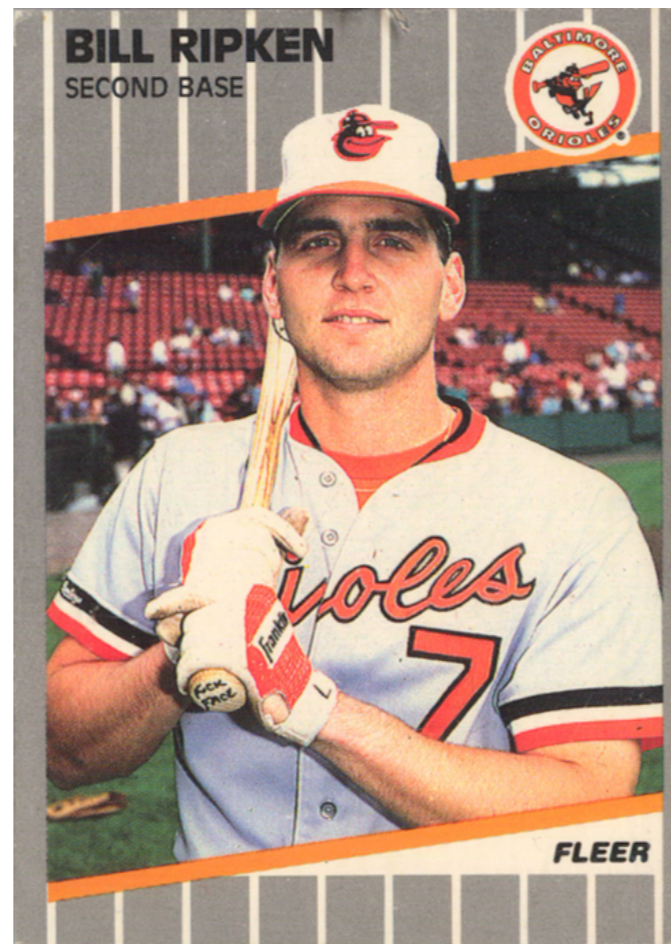

And we brought this

So you had to go here

1989

Fantasy Land

Everybody wanted in!

1991

59 Different Baseball Card products.

These guys didn't help.

1993

I went here

and found this!

By the mid 90's

And then by 2000

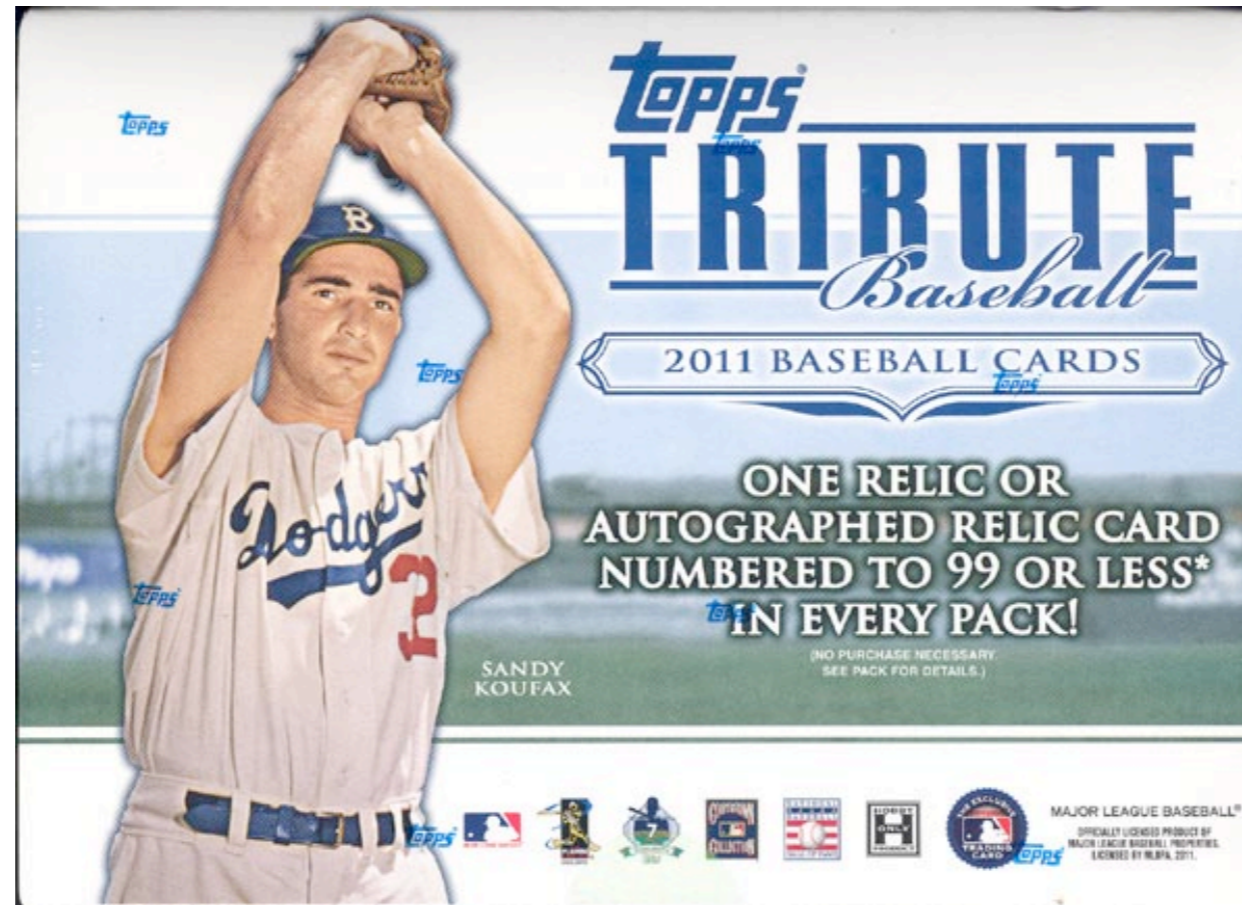

If it isn't graded

then its worth this

Today

\$450 dollars for a box of 6 packs containing 5 cards per pack.
